

Jerry Lanham Painting Workshop

Jerry Lanham is a self taught artist from Orlando with a world wide following of collectors in Museums, corporations, homes and hotels. His work is a combination of abstract shapes and colors with a recognizable subject. Some of his favorite subjects are jazz musicians, landscapes including sailboats, women, and abstract objects. To quote Art Trends Magazines "Using powerful brushstrokes that can be seen from a distance, he creates the dramatic sensations of sound, motion, light and temperature." Jerry has won many awards for his art including the artist series wine label for the San Sebastian Winery twice. He was selected to do the 1999 poster for the Melbourne art show. He has done the cover of the Winter Park phone book. Jerry has just finished a one man show at the Fifth Avenue Gallery in Eau Gallie.
